

## **The LOUD Crowd® and Voice Aerobics®**

### **Speech Therapy Maintenance Programs for Parkinson's**

Mary Spremulli, MA, CCC-SLP, owner of Voice Aerobics, a speech-language Pathology private practice, offers a weekly speech class for patients with speech and voice problems related to Parkinson's disease and related diagnosis.

**The LOUD Crowd®**, developed at the Parkinson Voice Project in Richardson, Texas, affords patients who have already completed formal therapy an opportunity for ongoing practice, accountability, and an opportunity to maintain communication skills in a fun atmosphere.

### **In Punta Gorda:**

**Ongoing classes are held Thursdays 1:30pm-2:45pm.  
Universal Fitness (Deep Creek) 1544 Rio Di Janeiro Ave, Punta Gorda 33983.**

Open to anyone who has recently completed an individual speech therapy program such as LSVT® LOUD or SPEAK OUT!

### **No Fee for Classes**

\*For patients who have never participated in formal speech therapy, an evaluation, treatment, and/or orientation sessions may be required.

To learn more about The LOUD Crowd, or to schedule a therapy appointment, call: 941-204-1515

### **In North Port:**

**Voice Aerobics class on the 4<sup>th</sup> Thursday of the month, 11am  
5600 Peace River Rd, North Port, Florida 34287**

Sponsored by Neurochallenge Foundation for Parkinson's, Voice Aerobics® with Mary Spremulli is held the 4th Thursday of the month @ 11:00am at 5600 Peace River Rd, North Port, Florida 34287.

### **There is no fee for classes**

No prior speech therapy is required to join, and classes will focus on: vocal function exercise, speech practice, and methods to improve communication for people living with Parkinson's.
