# “Speak Easy”

Parkinson's Group  
Speech Therapy  
5 Week Clinic

Speak Easy is a 5 week group speech therapy clinic. Participants identify individual goals for improving speech and voice, and work together as a small group to provide feedback and support in a fun and educational atmosphere.

Wednesday mornings 11 a.m.-12:15 p.m. Oct. 19 – Nov. 16 2016  
2430 Diplomat Parkway E. Cape Coral, FL 33909

*Who might benefit?* Anyone with changes in speech and voice resulting from Parkinson's disease who have already completed formal speech therapy. Or, anyone newly diagnosed with PD who would like to begin a program of speech and voice improvement as a preventative measure.

\$125. PD Speech Therapy Clinic Includes:

- ❖ **FIVE**, 75 min. sessions, led by Mary Spremulli, CCC-SLP, PD specialized, speech-language pathologist, certified in LSVT Loud, and Speak Out.
- ❖ Hi-VOLT® 4 PD audio CD and Hi-VOLT® voice-on-light bracelet; a calibrated device providing immediate feedback when users stay loud enough for everyday conversation.
- ❖ Notebook of home practice materials

**SEATING IS LIMITED** requires min. of 4 new participants max. of 8. Register today by calling Mary at 941 204-1515. (Sorry, no spouses allowed) Registration Fees are non-refundable. (Repeat participants may attend at no cost; but will not include new supplies)

Important Note: Speak Easy are not a substitute for formal speech and swallowing therapy, but is designed to help you maintain the skills you may have already achieved in therapy. We never stop learning, and the more you know, the better you will feel!
